Dear Parents,

As Mr. Edwards moves on to Byron Bergen, it is with great pride and pleasure to be the Interim Superintendent. I am honored to have the opportunity to lead Wyoming Central with such a great tradition that has produced so many outstanding students.

Over the past two years I have worked very closely with the Mr. Edwards, faculty and staff. It is clear from interacting with all stake holders, everyone works as a team. The team is there for the best possible education for all students. I look forward to maintaining what has been put in place and to foster the relationships of faculty and staff to enhance the education of each student.

As most of you know, I have been a dedicated member of Wyoming Centrals faculty for the past 32 years. I have taught mathematics and have enjoyed every minute. I also have been a house administrator, and Instructional video coach. As part of the Administrative team, my experiences have enhanced my leadership skills that I continue to bring to Wyoming's K-8 school. I am elated to work with you as a partner in education to ensure your child's success.

Along with teachers and staff I will work hard to continue the legacy of success here at Wyoming by building strong relationships with parents, students and community partners. We will focus on our strategic plan that includes: college and career readiness, communication, professional development, physical, social and emotional health, use of technology and to continue improving our facilities.

It takes a village to raise a child. Parents, teachers, support staff, community and administration all play a part in helping our students meet and exceed our expectations of them. I am looking forward to being a part of "the village to raise a child". You will find that my door is always open and I am always here to support you in any possible way.

Please enjoy a relaxing and productive summer and feel free to call me with any questions or concerns.

Sincerely,

A handwritten signature in cursive script that reads "Kathy Schuessler".

Kathy Schuessler,  
Interim School Superintendent
